Dear Sir/Madam,

PRACTICAL TRAINING ATTACHMENT

The University requires students to intern during the vacation to acquire the necessary work experiences and practical skills to prepare them for their eventual integration into the workforce.

In this light, **Marfo Samuel of the Electrical and Electronics Engineering Department - Year 3**, has expressed interest in undertaking attachment in your Company from **September 16 to December 31, 2024**.

We would be most grateful if you could grant him the support needed to undertake this vital exercise and enhance his training significantly.

The student can be contacted directly as follows:

Email: **thywordsamuel@gmail.com**

Phone no.: **+233 542435759**

Please, for your approval, you may indicate some conditions for the attachment, such as availability of accommodation, allowance and other logistic requirements.

The undersigned is responsible for coordinating the practical training attachment and may therefore pay visits to your outfit during the training period to interact with the student trainee and officials of your establishment.

We count very much on your cooperation.

Yours faithfully,

Yao Y. Ziggah (PhD)
University Training Coordinator
